# Introduction

AccountancyAge

## Mid-Tier Power Index

The Mid-Tier Power Index is the brand-new ranking for UK accountancy firms that champion true accountancy excellence among the UK's mid-sized firms.

The Mid-Tier Power Index will rank UK practices based on highest quality of service to clients, adding significant competitive advantage, and the demonstration of professional excellence. Practices will show how the services it has provided have been fundamental in enabling their clients to achieve their specific business goals, increase revenues and satisfy and delight their customers. This ranking recognises excellence in the profession during the last twelve months.

The Mid-Tier Power Index recognises practices with UK fee income between  
**£3m and £700m**  
as reported in the last financial year.

## Why Enter?

- Showcase your practices excellence in accountancy – educate, motivate and inspire
- Benchmark your practice against others across the UK
- Put forward your outstanding achievements to our expert panel of board level executives from across accountancy alliances and networks, and international practices.

# Meet the Judges

## Aaran Fronda

Aaran Fronda is the Managing Editor at Accountancy Age. Previously, he worked as a financial journalist and market reporter at various publications including Euromoney, Mergermarket and Dealreporter. He is excited to be a member of the judging panel for Accountancy Age's inaugural Mid-Tier Power Index (MTPI) and believes that the MTPI is the perfect addition to Accountancy Age's strong portfolio of long running rankings and award.

## Paul Ginman

Paul Ginman is the Chief Operating Officer (COO) & Global Head of Quality for Nexia International, a leading, global network of independent accounting and consulting firms. As Global Head of Quality, Paul is responsible for driving quality initiatives across all service lines through the Nexia service committees. This helps to ensure that Nexia member firms deliver quality services across the globe.

Paul previously worked for Mercia Group Ltd, and before that he was the COO for Baker Tilly International where he was involved in the recruitment and development of member firms.

# How to Enter

**To be recognised as the top firms in the industry, enter the Mid-Tier Power Index by completing the online form here (cta).**

**The entry form is broken down into four key criteria; strategic planning, profitability/growth, professional excellence and people/community. You will be asked to provide evidence on how you have excelled in each of these areas (200 words max per criteria) and will have the opportunity to add supporting materials at the end.**

## Not ready to submit?

Once you have started your entry, you will have the opportunity to 'Save and Continue Later' via the button on the top right of the screen.

You will then receive an email from 'Accountancy Age' providing you or your colleague the option to jump in where you left off.

If you'd like to see the full entry form before starting the online submission, then click [here](#) to download the PDF preview.

## Supporting material

Upload up to two supporting materials to illustrate your entry.

Suggestions of supporting material you can upload:

- 1 page (A4) of written material – this could include a chart, testimonials, or financial reports to represent achievement against objectives
- Up to 3 minutes' video.

These images must be a single page image, e.g. a photo of a manual, report or communication piece, rather than a pdf of the full document.

# How to Enter: Categories & Criteria

Applications will be judged against four key criteria which you will see clearly indicated in the entry form (online):

## 1. Strategic Planning

**Provide evidence of a clear strategic plan.**

**This should include:**

- Strategy and vision with measurable KPIs to monitor performance against the strategy
- Detail of what makes the firm different and stand out from what already exists in the market
- Analysis of traditional revenue streams compared to specialist services to demonstrate the proactive approach with clients and value add that you are providing beyond traditional accounting practices

## 2. Profitability/Growth

**Please demonstrate how your practice has grown/ been profitable over the past 12 months.**

**This should include:**

- Financial improvements in the past twelve months, indicating changes to fee income, source of income and profit per equity partner
- Winning new clients, client retention and strategy implemented to achieve these goals
- Client base growth and an increase in average client value
- If growth has been by acquisition, it would be useful to see a split between additional size due to that and organic growth

Here you will have the opportunity to upload financial statements.

If your question is not answered here and you'd like to find out more, [please get in touch with the team.](#)

## Am I eligible if I'm not an accountancy practice?

Only UK accountancy practices are eligible to apply. You must confirm that you are eligible for this ranking by confirming a UK fee income of between £3million and £700million.

## Can accountancy alliances and networks apply?

No, however, individual practices within a network or alliance are invited to attend based on qualifying based on the above criteria.

## How will the index be judged and the ranking established?

All entries will be reviewed by our judging panel and quantitative scoring assigned to each of the four criteria to establish the final index.

Any judges with a direct interest in any entries will declare ahead of judging and will be removed from scoring said entry/ies.

## I feel concerned about sharing confidential information on my practice, how will you ensure data security?

All of our judges will sign an NDA ahead of the judging process. All of our systems used to host and share data for judging will be secure.
